VI. Report of the Superintendent

A. High School Career Experiences- Mrs. Freiwald, Mrs. DelConte

- Mrs. Freiwald and Mrs. DelConte spoke about job shadowing, PFE, and BCTC opportunities.
- Mrs. DelConte introduced three students who have all taken part in different career exploration opportunities.
- Hannah Balthaser, Isabella Forte, and Riley Mohn were the three students who addressed the board and shared their experiences.
- Hannah Balthaser is a Senior here at Hamburg High School, her PFE is on her family farm, Northkill Creek Farm. Hannah explained that this experience was extremely helpful in determining what she would like to focus on in the future, which is genetics. She thanked the board for this opportunity.
- Lolly Leshner mentioned that Hannah's farm has been selected for a global convention. Hannah explained that it takes place at a different location every year and this year her family farm was selected to be one of the tour spots.
- Isabella Forte is also a senior here at Hamburg High School, she is a part of the Healthcare Senior Only Internship Program. Being able to see and work with Elderly patients, stabbings, falls, shootings, and being in on a gallbladder surgery has helped her determine that she is able to stomach the hard and what others think is the "gross" stuff. Izzy plans on going into the military as an army combat medic and attend med school or even Tower Health's program school of health science.
- Toni McFadden asked Izzy what the hardest thing she's had to see, Izzy explained it was hard to see the young patients, but it has taught her that she can come out of the situation and has learned to separate work from homelife.
- Riley Mohn is a Junior here at Hamburg High School and she was a part of the PFEW where 52,000 young adults live on campus for a week, they eat in the dining halls, get to study in the study areas, meet other students, and see the marketing side of things. She described a few different events, her favorite being junk night. You are split into groups and from a pile of junk you need to pick items and then create a jingle, and advertisement, and you learn in that stressful situations, who can manage the group, who is good at the art portion, and who is good at strategizing. Riley liked that she was able to see how art plays into business. PFEW helped her narrow down what she wants to do in the future and helped her figure out where her strengths and weaknesses were.
