

learn globally ! graduate locally

This summer, put your student on course for success!

Is your student looking to advance to the next level?

Does your student want to take the prerequisite
for a class during the summer?

ACCELERATED + LEARNING

BERKS ONLINE ACCELERATED + LEARNING

Maybe your student wants to take a class but has no room on their schedule during the regular semester?

Does your student want to take the prerequisite for a class over the summer?

Are they looking to advance and move to the next level of a course?

You'll find choices and solutions with the Berks Online Learning summer program.

Students may choose from a list of online classes. Our multimedia-based curriculum engages students in the learning process with video presentations by highly qualified subject-certified teachers, and online projects to ensure students master the instructional content. At the successful completion of the class, students will receive a full credit.

Credits are accepted by those districts working with Berks Online Learning and are NCAA approved.

Flexibility & Convenience

Students may access course materials anytime (24/7) and anywhere they are connected to the Internet. They may even continue to make progress on their coursework during a family vacation or an out-of-town visit with friends or relatives. A teacher is always there to help each student stay on track.

Local Support

Students and parents can rely on the Berks County Intermediate Unit (BCIU) for ongoing support. BCIU provides:

- Face-to-face student orientation
- Technical assistance
- Troubleshooting help
- Monitoring of student progress

Schedule

- Classes begin June 20, 2016 and end on August 15, 2016. You must complete your course(s) in this time frame.
- Enroll online at **berksonlinelearning.org**

Cost to Families

\$350.00 per course (one) credit

Register and pay online at
berksonlinelearning.org
Courses are non-refundable.

Note: Students must have computer and internet access.
